## **IT644 WSSOA - LAB Assignment 5**

### **1. Notes App Register/Login**

The screenshot shows a web browser window with the address bar displaying a file path. The page title is "Secure Notes App". The "Register" section includes input fields for "Display Name", "Email", and "Password", followed by a "Profile Image" section with a "Choose File" button and the text "no file selected". A blue "Sign Up" button is at the bottom of the register section. The "Login" section includes input fields for "Email" and "Password", and a blue "Login" button at the bottom.

## 5. User private/personal dashboard.

The image shows a web browser window with a light gray background. The browser's address bar at the top displays the file path: `file:///Users/kishan/Documents/University%20Material's/MSc%20IT/Sen`. The page title is "Secure Notes App". Below the title, there is a section titled "Your Profile" which contains a blue button labeled "Get My Profile Info". A horizontal line separates this from the "My Notes" section. The "My Notes" section features two text input fields: "Title" and "Content". Below these fields are two blue buttons: "Add Note" and "Logout".
